In attendance at Bay Breeze Technology Center's ribbon-cutting ceremony in Nassawadox Saturday were (l-r) Northampton Board of Supervisors Chairman Jack White, Nassawadox Mayor Wayne Mears, Bay Breeze President and CEO Robert B. Naylor and Bay Breeze's first two employees, Roger Shakley and Lori Ames. Bay Breeze will provide software training and other related services to companies all over the country as well as internationally. Naylor hopes to create 10 new local jobs by year's end.
